Figure 1: Schematic representation of the four experiments. The figure shows four rows of stimuli, each with a number on the left and a label on the right. Row 1: '1' followed by a sequence of 10 '3's, labeled 'NT'. Row 2: '2' followed by a sequence of 10 '3's, labeled 'NT'. Row 3: '3' followed by a sequence of 10 '2's, labeled 'NT'. Row 4: '4' followed by a sequence of 10 '3's, labeled 'NT'. The sequences are represented by small circles containing the numbers.
